Items for Discussion:

Calendar Update

Lorna advised the Calendars will be available next week and is looking for helpers & a coordinator. Lorna advised advanced sales are going well. Megan thanked Lorna, Holly & Anne for the efforts producing the calendar.

Jack Buckley Park Basketball/Netball rings

Megan & Peter had a meeting with council regarding the urgent replacement of the basketball ring. The council advised that heritage approval is required prior to any work can commence. It is anticipated the replacement will take place next year.

Megan proposed as part of the project that a netball ring be installed which will allow for a greater diversity use of the space.

Jack Buckley Park upgrade progress

The upgrade of the park is now completed which included the fishing platform. The footpath has been extended and it is planned to be extended to the beach in due course.

The electrical bollard has been approved and it is expected to be installed before Christmas.

Community Day

The community day is now postponed to sometime after Australia Day 2022. We are looking for volunteers for the Community Day. Please contact Megan, Peter or Daphne

ESC Council elections

Justin provided an update regarding the council elections. He advised we have received positive feedback from the candidates.

Beach Access Sub-committee report

Anne advised the report being carried out by consultants is a 5 stage process. Stages 1 & 2 have been completed. This information is available on the TCA Website.

Mosaics Sub-committee report

Kathy advised that the Mosaics project has been complete and thanked all the volunteers involved. We are now waiting for the rear wall of the toilet block to be rendered before the art installation can be mounted.

Batemans Bay Triathlon 5 February 2022 – Volunteers needed (Contact Daphne Cole)
