Next TCA General Meeting

7.00pm Thursday March 21, 2024 at the Tomakin Sports & Social Club

We'd love to see you there!

TCA Mission Statement: "To help make Tomakin an even better place to live, work, rest and play by delivering results through engagement with all relevant stakeholder groups."

December 2023

FROM THE PRESIDENT'S DESK

Season's Greetings Tomakin Community,

As we ease into the holiday season, I wanted to extend warm wishes for a relaxing Christmas and a laid-back New Year! Don't forget, we're heading into our peak tourist season – a time when our beaches here in Tomakin get a bit busier with folks keen on enjoying the sun and surf.

Reflecting on the past year, we've had some good times with events like the Batemans Bay Triathlon, welcomed our new ESC General Manager, and celebrated our 25th year with a wonderful Silver Soiree. Under the "Voices of Tomakin" initiative, we're gathering stories from our locals, creating a bit of a history scrapbook.

Our commitment to improving Tomakin's sports facilities is clear as we are getting closer to fully funding the new multisport facility. The second TCA Community Day and our Bunnings BBQs have brought our community closer.

We have presented our submission to ESC with the findings from our Beach Access Survey and are continuing to liaise with them on the issues. Our 2024 Calendar is available and has some fantastic photos of Tomakin—all taken by amateur photographers. (Cost is only \$12)

Looking ahead, we've got some projects in the pipeline, including finalizing the TCA focus areas and a 3-year plan, finishing up the new multisport facility, and putting out the "Voices of Tomakin."

May this festive season bring warmth to your homes and joy to your hearts. Merry Christmas and Happy New year to you and your families.

Regards,

Megan
President

DEFIBRILATORS

Some of you may have seen Facebook posts recently about defibrillators in the area.

In the Service NSW App there is a link to 'find defibrillators near me'. Tomakin shows none available.

I am happy to confirm that TSSC, Tomakin Ingenia Holiday Park and Barlings Beach Holiday Park all have a defibrillator. I have shown all 3 the App and asked if they could please register their device online.

The Moorings **does not** have one.

This is a great resource for our community.

Daphne Cole
Vice President

Fisiocrem Triathlon Batemans Bay in Tomakin

Saturday 3rd February 2024

TCA are once again providing volunteers to assist in the smooth running of this event. It is a great fundraiser for our community and the money received will be put to good use on our ongoing projects.

If you volunteer a few hours of your time, Elite Energy will donate money to TCA.

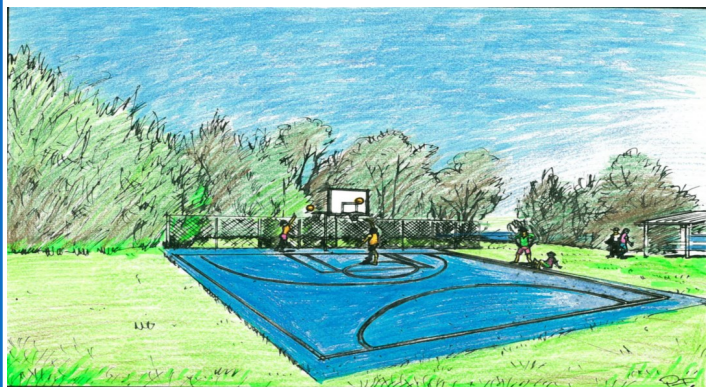

Please contact Daphne Cole to volunteer and register.

NEW MULTI-SPORT STRUCTURE FOR JACK BUCKLEY PARK

Great news for our youth but we still need to fund the project.

The new multi-sport structure will mean that Tomakin's youth, and people of all ages, can once again play basketball, along with netball and many other ball-related games in their own local park. Available details regarding the project can be found on the landing page of the TCA's website at tomakincommunityassociation.com.

The TCA is seeking help from local businesses and individuals to fully fund this exciting new project. A special donations page for the 'Multi-sport structure' has been set up on the TCA's website landing page.

<https://tomakincommunityassociation.square.site/>

Or post your donation cheque to TCA at PO Box 207 Moruya NSW 2537.
